Scott - In response to your 1/11 email to Barry, please see our letter to Jerry, copied to you yesterday, which sets out our position on the timing of the motions for failure to state a claim. We will look forward to hearing your thoughts. We think that it would be more efficient for everyone to hold off on briefing a significant civil RICO motion when the service and personal jurisdiction issues remain unresolved.

We expect to file a Rule 12 motion in the remaining Asat Trust matters within the next 30 days, assuming that schedule is acceptable from your perspective.
